Re: PEACE EDUCATION PROGRAM

The *PEACE EDUCATION PROGRAM* has been taught here at the Atlanta Transitional Center since January 2013. The Program has been well received by our male population. I have personally observed the growth and inner peace residents have by completing this program.

I strongly recommend this program be added as part of the curriculum in your facility. I would venture to say, if 10% of your population were open to participating in this program, there would be drastic change within your population.

If I could be of further assistance, please contact me at (404) 206-5119.

Sincerely,

Jeffrey Whiting, Assistant Superintendent
