

"Around the World with TPRF" Podcast, Episode 1

This new podcast takes listeners "Around the World with TPRF" to explore life's challenges, and to hear from volunteers about how TPRF initiatives are making a powerful difference. The inaugural episode features stories about how the [Peace Education Program](#) is helping inmates in Australia, cancer patients in California, and victims of conflicts in West Africa. It also includes an update about a new initiative to bring computer labs to children in Nepal.
