

## Peace Appeal: TPRF Raises \$167,054 for Peace Initiatives

Thanks to the generosity of 806 donors, The Prem Rawat Foundation (TPRF) recently raised more than US\$167,054, including \$47,000 in matching funds, for its peace initiatives around the world. The total far exceeded the [original goal](#) of raising \$100,000, indicating immense enthusiasm for the charity's mission of helping build a world at peace, one person at a time.

"I send my heartfelt thanks to every single person who has donated to the Peace for People Appeal and to the hundreds of volunteers from around the globe who are directly responsible for helping the foundation achieve so much year after year," says Daya Rawat, who volunteers as president of TPRF.

During the three week [Peace for People Appeal](#) fundraising drive, which concluded July 1, TPRF released four new videos highlighting how the money will be used to advance TPRF Founder [Prem Rawat's](#) message of peace through live forums, the [Peace Education Program](#), television broadcasts, and other projects.
