

Nam News Covers Prem Rawat, Peace Education

The Nam News Network (NNN) recently covered TPRF Founder Prem Rawat's efforts for peace, including the [Peace Education Program](#). See the [full article here](#). Here's an excerpt:

The sum of all that is good in the world far outweighs the “craziness” that happens in the world, says Peace Ambassador and author, Prem Rawat: reiterating his news that peace is possible in the world despite the odds against it. ...

With his practical approach to peace, Prem Rawat also founded the Peace Education Programme (PEP), currently taught not only in academic institutions or corporate organisations but also in prisons; in countries ravaged by war; in veteran centres and in hospitals in over 80 countries around the world.

From Capetown, South Africa to California, USA, PEP has reached those marginalised by society and by conflict and inspired them to believe that peace is possible.
