

Peace for People 2014

As a contribution to **International Peace Day**, TPRF is offering [Citizens of the Earth](#), featuring the words of its founder, Prem Rawat: "The time has come that every citizen of planet earth needs to take responsibility for the benefit of all mankind." This new short video was launched on September 12 on [this page](#), beginning the 10-day countdown to Peace Day 2014.

Last year's videos for *Peace for People 2013* are viewable now on that same [page](#), where you can also see a growing list of partnering organizations that will be helping to promote the viewing and sharing of this year's video.
