

Prem Rawat Comes to Soweto (Slide Show)

**Prem Rawat speaks to PEP students and community members in Soweto, South Africa
November 25, 2014:**

Words can't describe the feeling inside nor the magnitude of what happened in SA

Hearts have been soothed and healed

Hope has been restored

All is well

What a message

What a messenger

A tiny flame has become a fire

~Anne Wolfson, PEP coordinator SA
