REPORT OF INDEPENDENT AUDITORS

To The Board of Directors
The Prem Rawat Foundation
Los Angeles, California

We have audited the accompanying statements of financial position of The Prem Rawat Foundation (the Foundation) as of December 31, 2010 and 2009 and the related statements of activities, functional expenses and cash flows for the years then ended. These financial statements are the responsibility of the Foundation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Prem Rawat Foundation as of December 31, 2010 and 2009 and the results of its activities and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

THE PREM RAWAT FOUNDATION
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2010 and 2009

NOTE 1 - ORGANIZATION

Organization and Activities: The Prem Rawat Foundation (the "Foundation" or "TPRF"), a California not-for-profit public benefit corporation, was created in November 2001. The purpose of the Foundation is to promote and disseminate to the general public the speeches, writings, music, art, and public forums of Prem Rawat. The Foundation advances the efforts of Prem Rawat to bring dignity, peace, and prosperity to people around the world.

The Foundation has funded initiatives in 36 countries for various humanitarian initiatives through contributions and expending these contributions according to their restrictions. These initiatives are made in tandem with organizations such as the World Food Program, Oxfam, Mercy Corps, AmeriCares and other smaller charitable organizations. TPRF planned, designed and implemented several critically needed programs. TPRF's model program called Food for People ("FFP") is based on Prem Rawat's desire to directly help people break out of the cycle of poverty. There are now three Food for People facilities: one in India, one in Nepal, and a third facility under construction in Ghana. Each facility serves over 100,000 hot nutritious meals every year to children, the sick and the elderly.

The Foundation also produces a number of print and online materials based on Prem Rawat's addresses in addition to course material for its Peace Education Program. In addition to the production of media materials, the Foundation sponsors and supports events where Prem Rawat speaks to interested people at universities, non-governmental organizations, and various other meetings.

During the fiscal year 2010 Words of Peace International, an unrelated entity, took over responsibilities that were previously part of The Prem Rawat Foundation's operations. The purpose of Words of Peace International is to promote and disseminate to the general public the message and peace of Prem Rawat through the development, creation, publication and distribution of literature, audio and audio-visual recordings and works in various media types and formats.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation: The accompanying financial statements have been prepared on the accrual basis of accounting. Revenues, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Foundation and changes therein are classified and reported as follows:

Unrestricted net assets – Net assets that are not subject to donor-imposed restrictions and that may be expendable for any purpose in performing the primary objectives of the Foundation.

Temporarily restricted net assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or through the passage of time. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying financial statements as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as unrestricted contributions.

As of December 31, 2010, and 2009 the Foundation had \$0 and \$260,000, respectively, of temporarily restricted net assets, which were designated for Food for People. Food for People is in process of completing a third facility in Ghana, Africa. The facility's purpose is to provide food and other services for the people of Ghana, Africa. These funds were donated during December 2009 and were released from restriction in 2010 by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors.

(Continued)

THE PREM RAWAT FOUNDATION
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2010 and 2009

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Permanently restricted net assets – Net assets subject to donor-imposed stipulations that require that the amounts contributed be invested in perpetuity. In the absence of donor-imposed restrictions on the use of the income generated by permanently restricted net assets, income and gains generated from such contributions are available for the general operations and programs of the Foundation.

As of December 31, 2010 and 2009, the Foundation had no permanently restricted net assets.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Income Taxes: The Foundation has received a determination letter from the internal revenue service indicating that the Foundation is a not-for-profit corporation that has been approved for exemption from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and from California income taxes under similar provisions of the California Revenue and Taxation Code.

The Foundation recognizes a tax benefit only if it is “more likely than not” that the tax position would be sustained in a tax examination, with a tax examination being presumed to occur. The amount recognized is the largest amount of tax benefit that is greater than 50% likely of being realized on examination. For tax positions not meeting the “more likely than not” test, no tax benefit is recorded. The Foundation has concluded that there are no significant uncertain tax positions requiring recognition in the financial statement. The tax years which remain subject to examination are December 31, 2006 to December 31, 2009 for Federal returns and December 31, 2005 to December 31, 2009 for California returns.

The Foundation's policy is to recognize interest and penalties accrued on any unrecognized tax benefits as a component of income tax expense. As of December 31, 2010 and 2009, the Company did not have any accrued interest or penalties associated with any unrecognized tax benefits.

Cash and Cash Equivalents: Cash and cash equivalents consist of interest-bearing deposits and highly liquid investments with original maturities of less than 90 days. Cash equivalents are carried at cost, which approximates fair value.

Merchandise Inventory: Merchandise inventory consists of printed materials. Inventories are stated at the lower of cost or market determined on a first-in, first-out basis.

Advertising: Advertising costs are charged to expense as incurred. Total advertising costs incurred during the years ended December 31, 2010 and 2009 were \$3,910 and \$83,704, respectively.

Property and Equipment: Property and equipment are recorded at historical cost or, if contributed, at estimated fair value at the date of contribution. Depreciation and amortization is computed using the straight-line method over the assets estimated useful life. Useful lives for property and equipment range from five to seven years. Expenditures for repairs and maintenance are charged to operations when incurred. Major renewals and betterments are capitalized. The capitalization threshold is \$1,000.

(Continued)

THE PREM RAWAT FOUNDATION
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2010 and 2009

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributed Goods and Services: The value of significant contributed goods is reflected as contributions in the financial statements at the fair value of such goods at the date of contribution. Contributed services are recognized only if the services (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During the years ended December 31, 2010 and 2009, there were no contributed goods and services.

Contributions Used For Long-Lived Assets: Gifts of cash or other assets that must be used to obtain land, buildings, equipment and other long-lived assets are reported as temporarily or permanently restricted revenue and net assets based on donor stipulations. Absent explicit donor stipulations for the time long-lived assets must be held, expirations of restrictions resulting in reclassification of temporarily restricted net assets to unrestricted net assets are reported when the long-lived assets are placed in service.

Impairment of Long-Lived Assets: The Foundation reviews its investment in long-lived assets for recoverability whenever events or changes in circumstances indicate the net carrying amount may not be recoverable. There were no events or changes in circumstances indicating that the carrying amount of property and equipment may not be recoverable for the years ended December 31, 2010 and 2009.

Functional Allocation of Expenses: The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of functional expenses for the years ended December 31, 2010 and 2009. Accordingly, certain costs have been allocated between the programs and supporting services benefited.

NOTE 3 - PROPERTY AND EQUIPMENT

Property and equipment consists of the following:

	<u>2010</u>	<u>2009</u>
Computer equipment and software	\$ 224,447	\$ 215,215
Less accumulated depreciation	<u>(214,603)</u>	<u>(199,480)</u>
Property and equipment, net	<u>\$ 9,844</u>	<u>\$ 15,735</u>

NOTE 4 – GRANTS PAYABLE

As of December 31, 2010, \$225,000 of grants were payable to PremBas Foundation, a not for profit organization in Ghana for a third Food for People facility in Ghana. Each facility serves over 100,000 hot nutritious meals every year to children, the sick and the elderly.

(Continued)

THE PREM RAWAT FOUNDATION
NOTES TO FINANCIAL STATEMENTS
For the years ended December 31, 2010 and 2009

NOTE 5 – NET ASSETS

Temporarily restricted net assets are available primarily for humanitarian aid programs. These net assets are released from restrictions by incurring expenses satisfying the restricted purposes or by occurrence of other events specified by donors. Generally, satisfaction of the restriction is determined to be met when program expenses are incurred. Releases from restrictions totaled \$260,000 and \$0 for the years ended December 31, 2010 and 2009, respectively. The release related to humanitarian aid program activities.

Temporarily restricted net assets are restricted for the following at December 31:

	<u>2010</u>	<u>2009</u>
Humanitarian aid	\$ -	\$ 260,000

NOTE 6 - MAJOR DONOR AND VENDORS

No individual contributions or donors contributed over 10% for the year ended December 31, 2010. Contributions from one donor accounted for approximately 12% of contributions for the year ended December 31, 2009.

Purchases from four vendors accounted for approximately 19%, 14%, 10% and 10% of purchases for the year ended December 31, 2010 and two vendors accounted for approximately 20% and 14% of purchases for the year ended December 31, 2009.

NOTE 7 - CONCENTRATION OF SOURCE MATERIALS

The Foundation focuses primarily on promoting the teachings and messages of Prem Rawat. The operations of the Foundation could be adversely affected in the event of the incapacity of Prem Rawat.

NOTE 8 – BENEFICIAL INTEREST IN TRUST

The Prem Rawat Foundation has a beneficial interest in a discretionary trust that holds the stock of Myrine Investments Limited, a company incorporated in the Island of Jersey, Channel Islands, which owns rental property in Australia. This beneficial ownership is derived from an instrument by the trustees of such trust, who exercised their powers to include an appointed class of beneficiaries and named The Prem Rawat Foundation as one of those beneficiaries. The trustees of the trust have variance power to distribute income and/or principal, and the Foundation's interest is conditional upon such action taking place. The Foundation's interest is not estimable at this time as the stock has not been transferred and also because the Foundation never formally accepted the stock of Myrine nor has it derived any benefit from such stock due to the encumbrances, restrictions, lease obligations, credit risks, illiquidity and the non-transferability related to the properties owned by Myrine in Australia. Due to the conditional nature of the beneficial interest, no assets or liabilities have been recorded in the accompanying financial statements.

(Continued)

NOTE 9 – SUBSEQUENT EVENTS

Management has performed an analysis of the activities and transactions subsequent to December 31, 2010 to determine the need for any adjustments to and/or disclosures within the financial statements for the year ended December 31, 2010. Management has performed their analysis of subsequent events through September 30, 2011, the date the financial statements were available to be issued.
