The PremRawat Foundation

11th November 2014

Dear Ms. Jyoti Singh,

With sincere gratitude, we would like to thank you for conducting the Peace Education Program at our Institute that was aimed towards helping our staff and students better understand their inner resources and aspects of Choice, Peace, Dignity, Hope, Contentment and other tenets that form the basis for Self-awareness and understanding one's inner self.

We appreciate the commitment and sincerity that you and your team showed throughout the PEP program that was run over 10 sessions, and are sure that the learning from the program would definitely be useful over the long run for all the participants. We wish you continued success in your efforts towards spreading this awareness wider to one and all.

Yours sincerely,
